

Coastal Bend Living Shorelines Workshop CD Contents, Online Resources, and Publications

- I. Resource CD Folder Contents
- II. Online Resources
- III. Publications

I. Resource CD Folder Contents

Homeowner Information

- Alliance for the Chesapeake Bay Homeowners' Guide to Designing Your Property (6 pg)
- Current Problems: Life on the Inland Shore – A Guide for Waterside Living (28 pg)
- Galveston Bay Foundation Living Shorelines brochure (2 pg)
- Sarasota Bay Estuary Program Living on the Water's Edge brochure (A Homeowner's Guide to Low Maintenance Landscaping Along Seawalls, Bayfronts and Canals) (2 pg)
- Saving our shorelines How NW FL homeowners can help – NW FL WMD (15 pg)

Regulatory Information

- 2007 Nationwide Permits, Conditions, Further Information, and Definitions (38 pg)
- Homeowner's Guide to Permitting Living Shorelines in Texas (1 pg)
- Texas Coastal Permitting Assistance brochure (2 pg)
- Texas General Land Office Permit Service Center (1 pg)
- Texas General Land Office Permit Service Center Flowchart (1 pg)

Resource Contacts

- NRCS Seed and Plant Vendors of Conservation Plants for Mid and SE US (29 pg)

Shellfish Information

- Practitioners Guide to the Design and Monitoring of Shellfish Restoration Projects (32 pg)
- Sound Park conservation project - City of Fort Walton Beach (2 pg)

Shoreline Stabilization

- A Living Shoreline Initiative for the Florida Panhandle - Ray-Culp (4 pg)
- Alternative shoreline treatment guideline - Galveston Bay Foundation (12 pg)
- Assessment of hybrid type shore erosion control projects in Maryland's Chesapeake Bay (112 pg)
- Bay Friendly Shoreline Solutions – Chesapeake Bay Foundation (4 pg)
- Creating Tidal Salt Marshes in the Chesapeake Bay (22 pg)
- Effect of bulkheads on urban bay shorelines – Douglass and Pickel (7 pg)
- Galveston Bay Foundation Living Shorelines brochure (2 pg)
- Living Shorelines 101 – Boyd presentation (12 pg)
- Living Shorelines alternative shoreline protection – Dobberstine and Galveston Bay Foundation (6 pg)
- Living Shorelines for the Chesapeake Bay watershed – Chesapeake Bay Foundation (12 pg)
- Living Shoreline Stewardship Initiative – Burke (7 pg)
- Lower Machodoc Creek shoreline treatment options – Burke Hardaway presentation (19 pg)
- Sarasota Bay Estuary Program Living on the Water's Edge brochure (A Homeowner's Guide to Low Maintenance Landscaping Along Seawalls, Bayfronts and Canals) (2 pg)
- Shore Erosion Control The Natural Approach – MD (12 pg)
- Shoreline erosion control using marsh vegetation and low-cost structures (24 pg)
- Shoreline Protection Alternatives – MS AL Sea Grant (4 pg)
- Shoreline protection products Cost Estimates – MS AL Sea Grant (2 pg)
- Shoreline stabilization handbook for Lake Champlain and other inland lakes (54 pg)
- Social marketing to encourage living shorelines (8 pg)
